Our School

Some Common problems

This may creates bigger problem : HOW ?

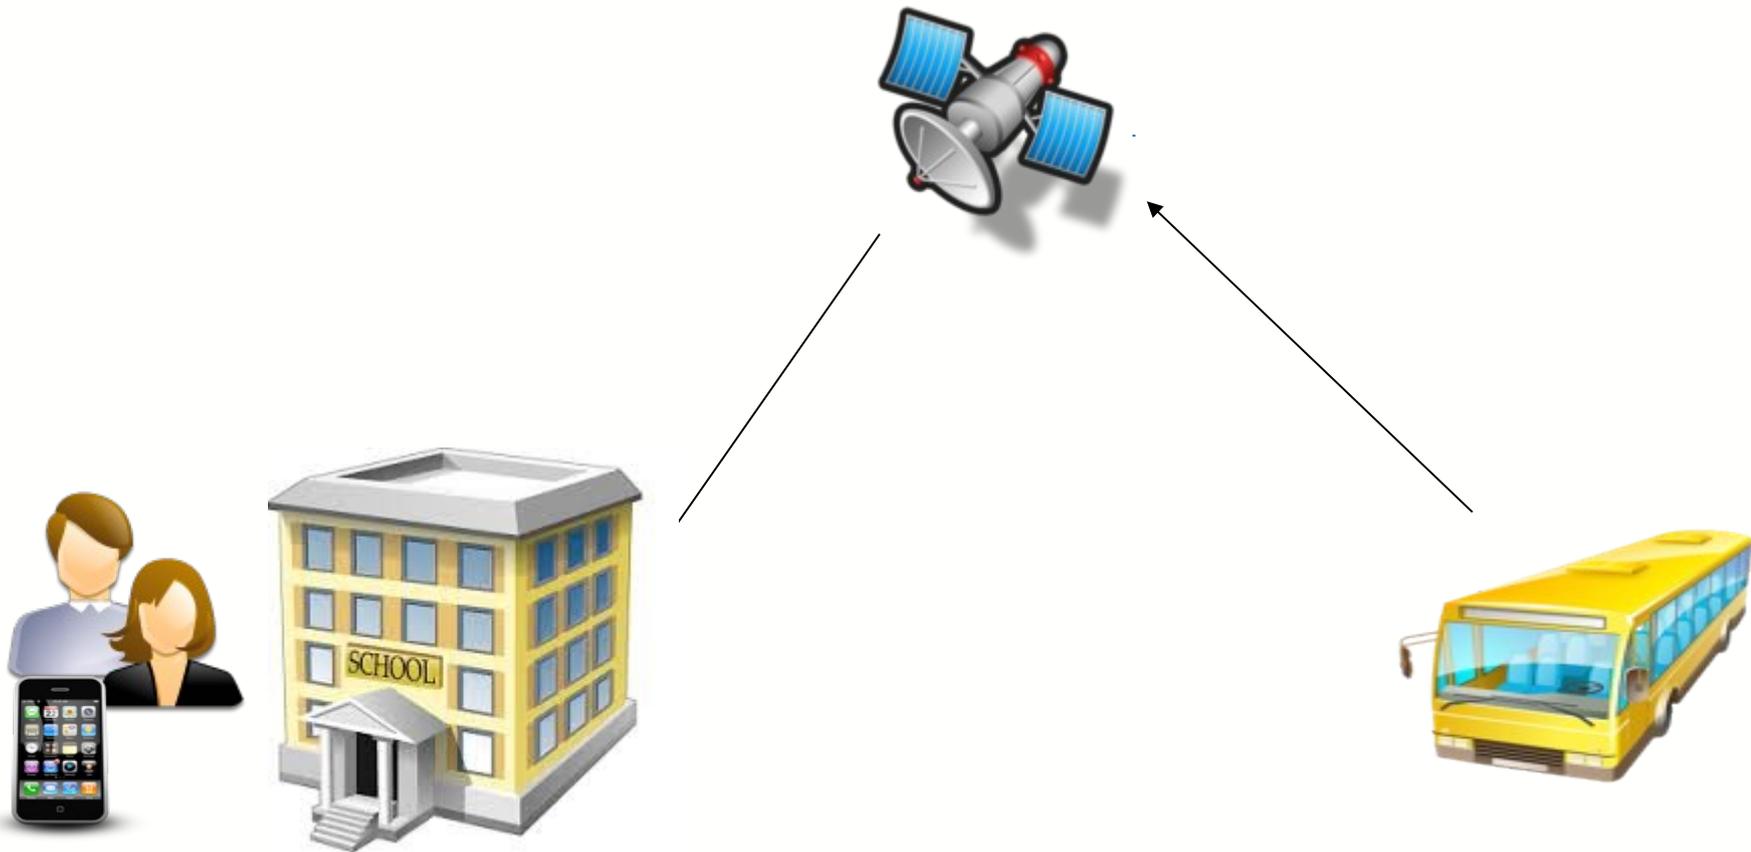

Calls received at drivers end	No. of calls
Call made by single parent per day	2 calls
Time duration of each call approx. 2 minutes	4 minutes
No. of students boarding in bus	40 students approx.
If each parent calls the driver then no of calls received at driver end	80 calls
Time duration for receiving all calls while driving	160 minutes

Now imagine when the driver drives the bus or answer to your calls and what this may cause ?

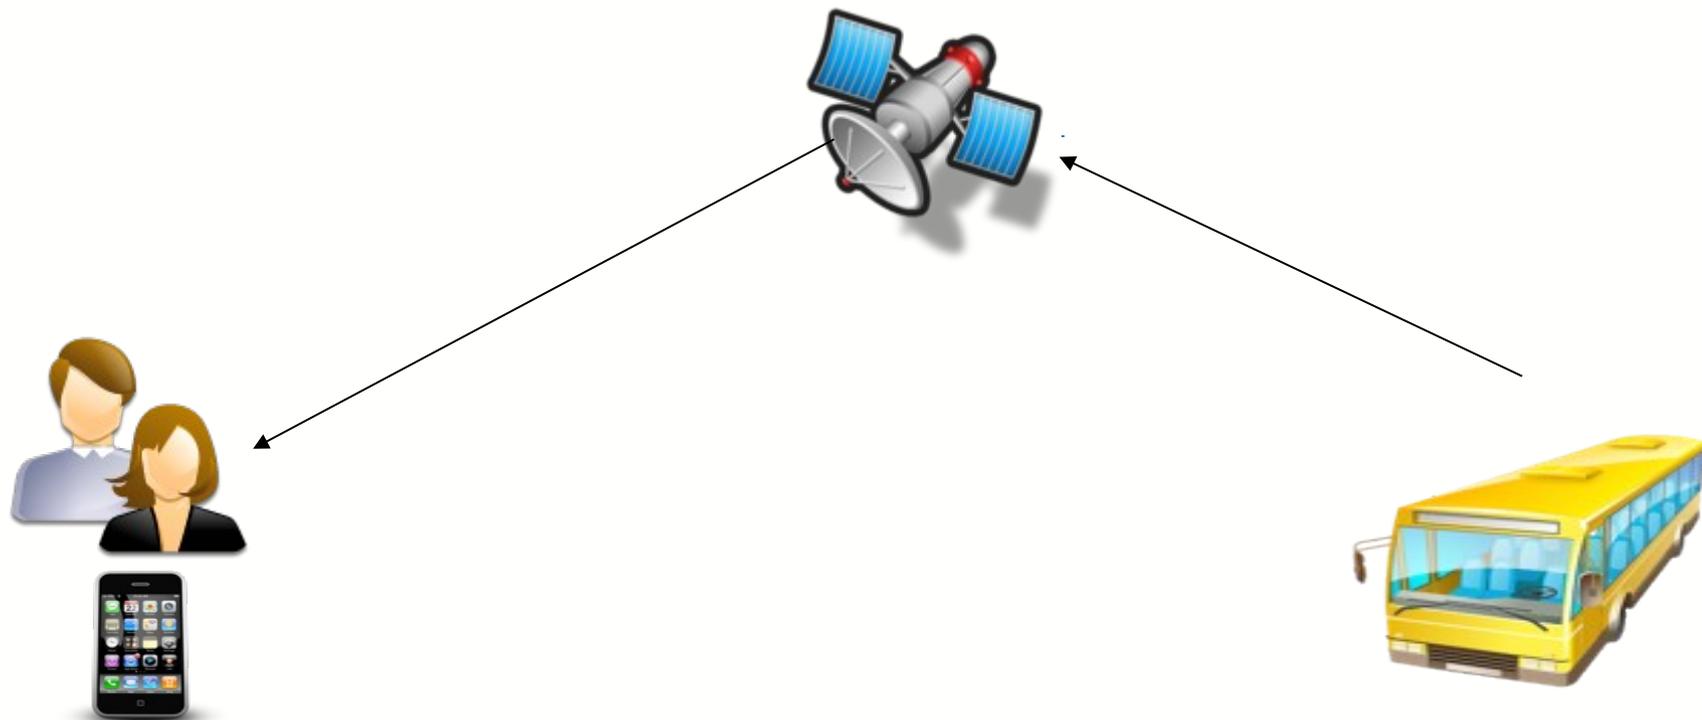

Our School provides one solution to address such problems

Our School is amongst the first school in region to start GPS based tracking system for safety and security of children.

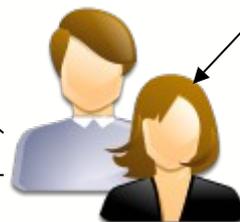

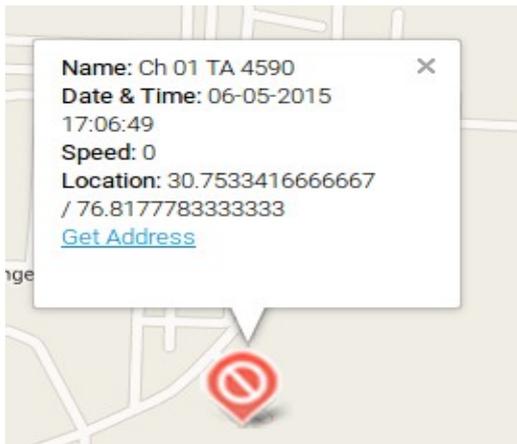

Our School is amongst the first school in region which extend this security and safety features to parents through Parent's Tracking App

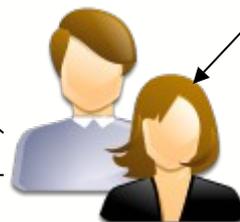

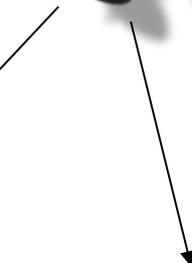

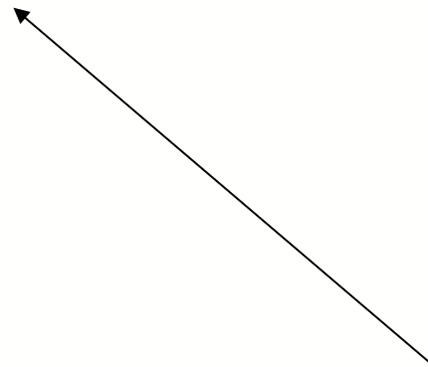

What you (Parents) can monitor

1. Child Bus tracking during pick and drop hours
2. Location based alert for parents on mobile when bus reaches to their nearest bus stop
3. Receive alert if driver press SOS/Breakdown button

Location alert

How to use parents app or to track bus ?

Contact school transport administration or go to website <[YOUR SCHOOL NAME](#)> [.bustracker.in](#)

How to use Android Application to track

Go to google play and search **Golden Public Parents App**.

The screenshot shows the Google Play Store interface for the 'Golden Public Parent App'. The browser address bar at the top displays the URL: <https://play.google.com/store/apps/details?id=com.conjoinix.goldenpublicsmartparent&hl=en>. A notification from Firefox indicates that the outdated 'Adobe Flash' plugin is blocked. The app's page features a green header with the 'Apps' category and navigation options like 'Categories', 'Home', 'Top Charts', and 'New Releases'. A left-hand menu lists user account options such as 'My apps', 'Shop', 'Games', 'Family', and 'Editors' Choice'. The main content area displays the app's title, developer 'Conjoinix Transportation', and a '3+' age rating. A warning message states 'You don't have any devices'. Below this, there are 'Add to Wishlist' and 'Install' buttons. The app's promotional banner includes three panels: 'SMART PARENT' (welcome message), 'CONNECT WITH US' (login form with fields for Number and Password), and 'EASY ACCESS' (profile and menu access). To the right, a 'More from developer' section lists other apps: 'School Bus Tracker' (free) and 'Swami Sant Dass P'.

After installation of app click on launcher icon and run app.

Click on Register now. Register with your name, Phone no. and password

The image shows a web browser window displaying the dashboard of the Golden Public School Jharmari bus tracker. The browser's address bar shows the URL `goldenpublic.bustracker.in/dashboard.php`. The page title is "Golden Public School Jharmari". A navigation menu includes links for "Dashboard", "Location Alert", "Category Group", "Request Coupon", "Alert Messages", "Change Password", "School Info", and "Logout".

The main content area features a "Dashboard" header with a plus icon. Below it, a white box displays the following information:

- Golden Public School Jharmari**
- Coupon** 82DP4EFUVT
- Group** Golden Public School Jharmari Vehicles
- Asset** PB 11 V 4504

A green "Track Now" button is located at the bottom of this box. Two callout boxes provide instructions:

- A blue oval callout with the text "Click to add 10 digit coupon code" has an arrow pointing to the plus icon in the dashboard header.
- A white oval callout with the text "Click on Track Now to start tracking" has an arrow pointing to the "Track Now" button.

The footer of the page states "Powered by XSSecure".

Fill your email and 10 digit coupon code and add it.
